The mission of the MDC is to assist in the development of strategies to create campus environments that promote inclusiveness as an institutional and community value. This body recommends strategies that promote student equity and academic success through the methods of multicultural and diversity education. It also fosters the recognition of diverse groups, supports inter-group communication and works to promote equality. Additionally, the committee works to create a community that engenders social advancement by moving beyond passive tolerance to embrace diversity as a valuable resource to be preserved and extended.
