This form should be used for requesting new staff positions and included in the program review process.

Initiator: Joe Hash
Date: October 15, 2014
Department: Health, Physical Education, Kinesiology, Athletics
Requested Amount: $40,000

Position description (please provide details about the position need):
[form will expand as needed]

Assistant Athletic Trainer—the position provides assistance to the Head Athletic Trainer who serves student athletes in the care and prevention of athletic injuries and the rehabilitation of those injuries.

Statement of Need (Justify the need for the position)

Currently our Head Athletic Trainer is the one certified athletic trainer who serves around 200 student athletes on eleven sports teams. Most colleges with similar size athletic offerings have two certified athletic trainers to serve their population of student athletes.
