Institutional Effectiveness Committee
Assesses progress on strategic objectives and IE measures, assesses integrated planning model, issues annual report on planning process and goal attainment, and makes adjustments in action steps as needed. The IEC leads the Institutional Planning process by facilitating the development the Strategic, and Education Master Plans and leads work so that an Annual Plan is developed and communicated to campus that aligns with strategic and education master planning objectives. The IEC tracks the progress of these plans, and assesses the plans to inform the process.

2013-14 Co-Chairs: Angelina Hill and Kathy Smith

Program Review Committee
The Program Review Committee will be responsible to maintain a process by which instructional and non-instructional programs systematically assess themselves to ensure currency, relevance, appropriateness, and achievement of stated goals and outcomes.

Enrollment Management Committee
The EMC, combined with the Basic Skills Committee and FYE, develops and carries out a comprehensive approach to enrollment management based on recommendations related to scheduling, instructional and student support strategies to enhance access, success, persistence, and goal attainment of college prepared and basic skills students.

2013-14 Co-chairs: Keith Snow-Flamer & Bruce Wagner

Instructional & Student Development Group (ISD)
Leaders of ISD coordinate programs, activities, policies and near and mid-term plans across instructional and student development areas. Includes an extension of topics covered in the integrated planning committee, as well as functions activities include schedule development, curriculum, enrollment management, prioritization of divisional resource requests, accreditation, assessment, program review, distance education and staff development.

2013-14 Co-Chairs: Angelina Hill and Kathy Smith

Resource Allocation Committee
The RAC, combined with the BPC and TPC, prioritizes the allocation of financial resources based on recommendations related to budgeting, instruction, student development, and student engagement for the college.

2013-14 Co-Chairs: Cheryl Tucker & Joe Hash

Program Revitalization Committee
The BPC, combined with the TPC and FPC allocates the financial resources as well as functions including curriculum committee, accreditation, assessment, program review, distance education and staff development.

2013-14 Co-Chairs: Lee Lindsey & Michael Dennis

Assessment Committee
The assessment committee assists faculty and staff in the development and assessment of student learning outcomes (SLOs) at the course, program, and institutional levels. Members of the committee serve as liaisons to their respective constituent groups regarding the assessment process. They instruct peers on how to coordinate dialogue sessions, and write and submit assessment reports. The assessment committee also works cooperatively with the program review committee, curriculum committee, ALO, and the Office of Institutional Research.

2013-14 Co-Chairs: Angelina Hill and Assessment Coordinator (Dave Bazard)
